

We've got your back.

Sometimes a simple act like tying your shoe becomes something you dread. Climbing the stairs seems impossible. Well, you don't have to live with pain.

If physical therapy is the answer, then visit us. Our treatment programs include all orthopedic conditions and involve patient education and exercise. We can help you minimize discomfort, manage pain and get your life back.

We're here for you, right in your neighborhood.

The Spine Care & Rehabilitation Center
Disc Problems • Spinal Rehabilitation • Orthopedics

James V. Vitale, PT

Conveniently located in the Village Green Building.
